

## Ministry for All Ages

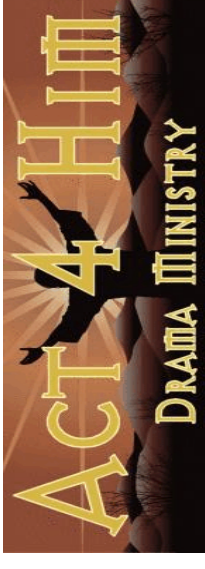

Young and old, from kids to adults, we are here to serve and love you. Each drama/comedy is tailored to the specific ages it is being performed to. A teen comedy is different from a children's comedy. A children's drama is different from an adult drama. We meet the needs of each age range differently, but its effectiveness is always the same.

## Surviving by Faith

We often get questioned: "How much do you charge?" or "What is your fee?" When God called us into the ministry, we felt an instant need to trust Him for what lied ahead. We wanted our lives as a whole to be a life of faith. Everything from food (pets too), paying the bills, fuel expenses, etc, etc, etc. All of it placed into our Awesome Lord's hands. The decision to operate solely on **Love Offerings and Donations** was an easy one. We simply felt that if this was truly God's plan for us, then surviving wouldn't be an issue. By placing the area of finances into His care, we humbly and gratefully accept what we earn as a direct gift from Him. Frankly, we wouldn't want it any other way!
